

CMRS Publication, 1982 – 83

S/No.	Author	Title	Name of the Journal	Reference
1.	Raju, N M & Ghosh, A K	Strata Reinforcement with Bolting and Wire rope System	International Journal of Rock Mechanics	February, 1982
2.	Bose S K & Bose A K	Coal Expansion in Indian Environmental Implications of Small Scale Utilization	Journal of Mines Metals & Fuels	XXX, No. 2, 1982
3.	Raju, N M & Sing, B	Investigations into safe Working Span in Roof and Pillar Stopes	1 st International Conference on Stability of Underground Mining	August, 1982
4.	Banerjee, S C	A Theoretical Design to the Determination of Risk Index of Spontaneous Fires in Coal Mines	Journal of Mines Metals & Fuels	August, 1982
5.	Gupta, R N & Farmer, I	Strata Mechanics in relation to Long Wall Support Criteria	Mining Geological and Metallurgical Institute of India	August, 1982
6.	Sen, S & Gupta, S K	R & D Institution Role in technology Transfer for Mineral Industries of Developing Countries	New Sketch	September, 1982
7.	Jayprakash, K C	A Case for Donning Indian Mines with Super oxide Rescue Masks	New Sketch	Vol. 43, No. 4, October, 1982
8.	Sinha, J K Chair B B Bose J M Das, B N	Drill ability Index and Strength Index of Indian Coaks	Mintech	October, 1982
9.	Sinha J K & Bose, A K	Status of Air Pollution in Mines and Factories in India	Journal of Environmental protection	October, 1982
